

# Legal Cashier Day Fortune Teller

- 1. Print and cut out around the outside edge of the fortune teller.**
- 2. Fold in half, then fold in half again to create the guide creases.**
- 3. Open it out, turn it over so the blank side is on top, then fold each corner into the centre point.**
- 4. Turn it over and repeat, folding each corner into the centre again.**
- 5. Turn it over so the four coloured circles are facing up. these are your starting points.**
- 6. Slide your thumb and finger behind two coloured circles and gently press together so they bend and meet in the middle.**
- 7. Turn it around and repeat with the other two coloured circles using your other hand.**
- 8. All four coloured circles should now be on the outside with the centres touching, you're ready to celebrate Legal Cashier Day!**
